

# Selling E-Gift Cards online (Mobile/Tablet/Laptop)

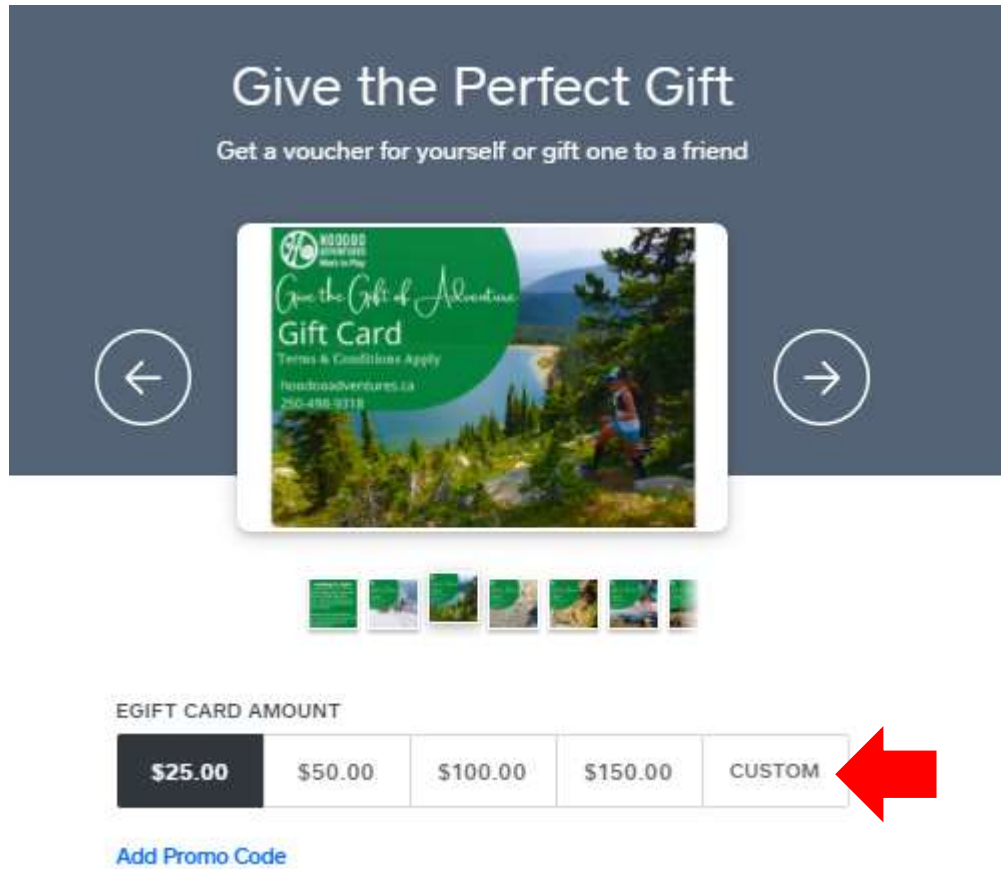

1. Go to the following link: <https://squareup.com/gift/ML8VC1FWBBN6B/order>

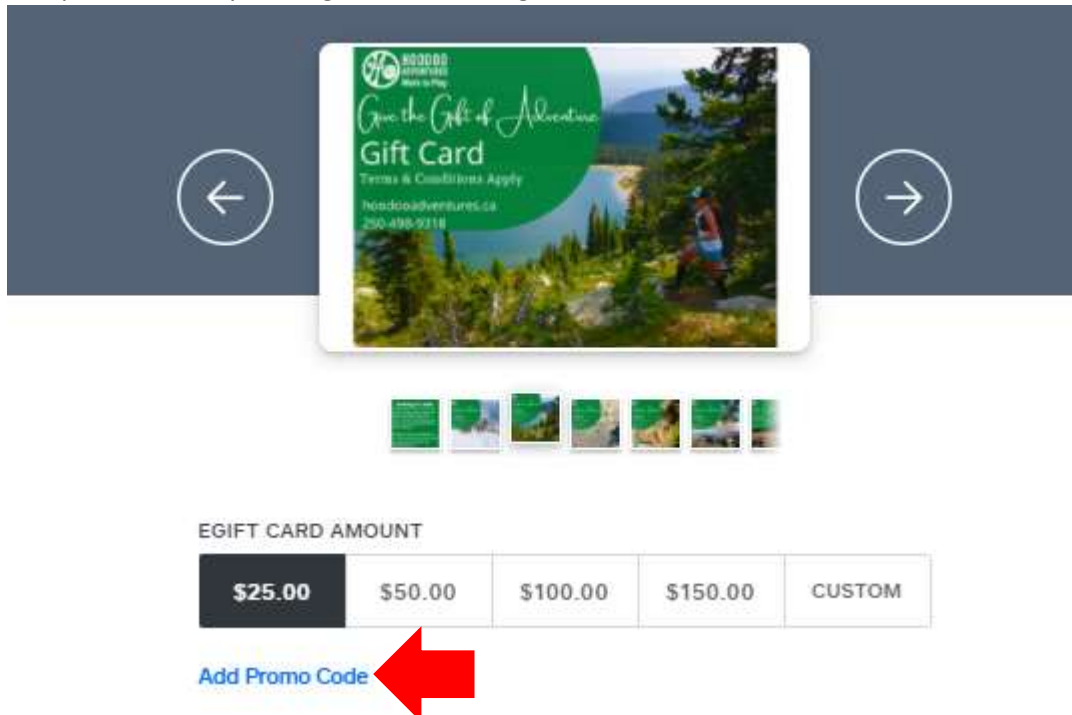

2. Select e-gift card display image by clicking the left or right arrows see below.

3. Select a pre-set value or create a custom value for the Gift card. **Important Notes! If the client wishes to use the GC for a specific item at hoodoo you must do the following:** figure out the total cost for the specific item including tax! Then in the custom value section type the total cost including tax of the item in the custom value. Done!

4. Add promo code by clicking the blue writing "Add Promo Code" see below.

5. Type the discount code in the promo code section and click APPLY (in this example we will use the HOLIDAY21 Code) see below.

EGIFT CARD AMOUNT

<b>\$25.00</b>	\$50.00	\$100.00	\$150.00	CUSTOM
----------------	---------	----------	----------	--------

PROMOTION CODE

HOLIDAY21 [Apply](#)

FROM

6. Fill in the from client details and the to client details. (One very important thing to know is that the email address provided in **to** will be the email address that will receive the GC code. A Client can choose to fill in their name in both sections, put their friends name and their own email: than latter on forward the email to their friends or family members, or a client can set up a date to email the GC to the recipient).
