Important Information – For all Parents & Guardians

Welcome to the Trekkers program!

Parents play a huge role in their child's success. This includes a role in helping their child have a successful Summer Adventure Camp too! Our Adventure Camp isn't your ordinary day camp: we spend almost all of our time outside learning how to safely enjoy a variety of adventure sports as well as countless life skills. As much as we enjoy introducing kids to the outdoors, we respect that this program is not for every child. As much as we try to ensure that the content is suitable for the age group, it is also designed to be challenging in many ways: both physically and mentally.

It is incredibly important that both you AND your child understand the content and expectations of the camp. It is also important that you, as well as your child, are on board and keen for our adventures and the challenges that come with it. This document contains all the information you need to help your child have a great time with us this summer. Please read it very carefully, and if you do have questions, please contact us directly

Thank you for your interest in the Trekkers program and we look forward to meeting your Trekker!
