Important Information – For all Parents & Guardians

Welcome to the Explorers program!

Parents play a huge role in their child's success. Parents play a huge role in helping their child have a successful Summer Adventure Camp too! Our Adventure Camp isn't your ordinary day camp: we spend almost all of our time outside learning how to safely enjoy a variety of adventure sports as well as countless life skills. As much as we enjoy introducing kids to the outdoors, we respect that this program is not for every child. As much as we try to ensure that the content is suitable for the age group, it is also designed to be challenging in many ways: both physically and mentally.

It is incredibly important that both you and your child understand the content and expectations of the camp. It is also important that you, as well as your child, are on board and keen for our adventures and the challenges that come with it.

This document contains all the information you need to help your child have a great time with us this summer. Please read it very carefully, and if you do have questions, please contact us directly.

Thank you for your interest in the Explorer program and we look forward to meeting your Explorer!

What is appropriate clothing?

Good clothing choices are typically made of materials that dry quickly, wick moisture away from the body, and will retain heat when they get wet.

Example materials include: synthetic stuff like fleece, polypropylene, thinsulate, etc. Wool is acceptable, too.

Think gym shorts and track pant materials.

Jeans and corduroy pants are activity inappropriate and if your child arrives wearing this type of clothing, you may be asked to go get them something more appropriate.

While cotton can be a great way for kids to cool down on a hot Okanagan day, it can be a potentially dangerous choice during cooler weather programs. For more information on clothing, go here:

Required Bike Gear on Friday:

-  Bike – must be mechanically sound prior to program & pass inspection by instructors

All About Bikes! Frequently Asked Questions:

Hoodoo supplies other equipment, why not bikes?

There are many reasons for this: bikes are sized very specifically, and to have the appropriate size bike available for all camp participants is very difficult. We do not have the storage capacity, nor do we have the demand required to supply those bikes. Most kids have their own bikes, and prefer to use them; therefore, we prefer to require that camp participants bring their own bikes to camp. We do have youth bikes to rent but be sure to make a reservation well before bike day!

Is my child's bike adequate for the program demands?

Our groups are **biking along the KVR**. We do **not** let them ride **BMX bikes**, **bikes with pedal brakes**, or **bikes with training wheels**. As for the maintenance of your child's bike-we require that all bikes entering our camps be checked out at least couple days in advance of bike day (but more time is better if your bike does need repairs). A good bike mechanic can let you know if your bike is appropriate for the program.

Where can I get my child's bike checked, tuned, or repaired?

Here in Penticton, we are lucky to have two fabulous bike shops right downtown! We recommend **The Bike Barn** and Freedom Bike Shop.

When should I drop my child bike off?

As we don't not have much storage space in Hoodoo office, we ask that you bring your (bike mechanic prechecked) child's bike on the morning of bike day.

What if my bike is in unacceptable condition?

If the condition of the bike is at all unacceptable for the demands of the program, then we reserve the right to deny that your child participates in biking activities (read: no refunds). It is your responsibility to ensure that your child is adequately prepared for all programming, and this includes having a bike that is in good working order. We do have a limited supply of youth bikes that can be rented, be sure to reserve well in advance! Rental fees apply. We will always work with you and your child to ensure that you get the most out of the program and biking day, but safety is first and most important.

What if the bike breaks down while on the program?

Hoodoo staff is knowledgeable in basic bike maintenance, repairs and trouble shooting. If your child blows a tire, we will do our best to repair or replace it. You may be required to cover the cost of shop supplies (i.e.: tubes, etc.).

Code of Conduct:

At Hoodoo Adventures, respect is very important to us: respect of self, of others and of the environment. It is important that all participants feel safe and supported on our trips. We have a zero-tolerance policy for bullying, harassment, or any actions / behaviors that put participants at risk, or interferes with a positive learning environment (including knives, multi-tools with knives or saws, drugs, alcohol, or any other weapon). Any participants who are unable or unwilling to follow our code of conduct will be removed from the trip at the discretion of Hoodoo Adventures and at the expense of the participant. No refunds will be issued.

Wilderness Safety:

Hoodoo Adventure's instructors are experienced and passionate about running programs for kids. All of our instructors have extensive training and experience in wilderness travel, wilderness first aid, risk management, and more. Participants must be willing and able to follow directions as given by our instructors, or as stated above, may be removed from the trip at the expense of the participant, with no refunds issued.

Personal Items:

Upon registration, and contained within this document, you will have access to a detailed gear list to help you prepare for the camp. It is the responsibility of the participant to bring all the gear required on the list. Hoodoo Adventures will supply all other necessary equipment, such as kayaks and safety equipment affiliated with the specific activity or any other type of specialty equipment. We will, prior to the trip or event, do a detailed check to ensure that all kids are adequately prepared for their adventure.

Hoodoo reserves the right to deny participation to any child who is deemed unprepared to participate, especially if it could interfere with the safety and wellbeing of the child or the group in any way. We will do our best to help supplement equipment but cannot guarantee that we can provide adequate personal equipment for all participants.

Hoodoo Adventures is not responsible for lost, stolen or damaged personal items throughout the duration of the camp.

Parent Check List:

- ☐ Waiver - Completed for each participant.
- ☐ Registration Form - Completed for each participant.
- ☐ Medical Form - Completed for each participant (Extended medical form for overnight camp)
- ☐ Allergy Form - Completed if any participants have an allergy
- ☐ Participant Gear List - Does my child have everything on the required list? Remember, we can deny your child's participation if they aren't properly prepared!

Camp is 9am to 3pm Monday to Friday. You may drop off early for bike days. Please stay until your child's bike has been looked over and approved.

Terms and conditions:

There is a 48-hour booking blocker on all kids program. Please call for program availability inside of 48 hours. There are NO REFUNDS or credits given for our summer camps. If we need to cancel the program (or a part of the program) for any reason we will be in touch with you directly.

Updated cancellation policy can be found on our website

Shuttles:

Much of our programming focuses on being outside, and some of it requires transportation to and from different trailheads or other wilderness locations. Transportation is a significant part of our programming. If you are uncomfortable with allowing your child to be transported in our vehicles, then they may be denied participation to the program on days requiring it. We will not extend refunds or credits to participants who refuse transportation at their discretion. Our company employs licensed, class-4 drivers and holds appropriate insurance and licensing permits required to operate our transport vehicles: a mini-van and a 10-passenger bus, and a 13-passenger bus. .

Medical and Other Considerations:

It is the responsibility of each participant (or their parent / legal guardian) to communicate any medical conditions or mental health concerns to Hoodoo Adventures. A completed medical form is a requirement for each participant. In the event that there are concerns, we will be in touch directly to discuss and formulate an individual plan to manage any issues that may arise, such as managing medications, behaviors, etc. If you have not communicated with us in regard to any potential issues, your child may be denied access to the program, or be sent home - especially if the safety and well-being of any participant is put at risk, or the participant is found to be unmanageable. This will be at the expense of the participant, and no refunds will be issued. Parents of children who require medication during the trip must provide Hoodoo Adventures with the appropriate medications and documentation / instruction on how to use it.
